

Spanish 3 – Summer Enrichment Assignment.

Hola estudiantes,

Over the summer, you have the option of completing this assignment as an enrichment activity that will also boost your grade a few points.

There are different parts of this assignment. To receive points in the category of Writing, Listening and Reading you will have to complete all Duolingo units up to the **third checkpoint**. On the first day of school I will review your account and give you the credit if you have reached and completed the intended units, 5 points per category.

If you don't have an account:

- a. You will go to www.duolingo.com or download the Duolingo App.
- b. Create an account and use your name and last name for your user name, no nicknames.
- c. Sign up to learn Spanish
- a. Please take the placement test to bypass the most basic levels.

- d. You will go through the lessons until you reach and finish “IR Future”.

If you have an account:

- a. Log in and click the next lesson.
- b. Click on your upcoming unit to start progressing towards your goal of finishing all units leading up to the **third checkpoint**. You will have to complete all lessons leading into the Goal unit to be able to get there. Below there is a picture of all the lessons to be completed.

Here are all the units to be completed, including the ones in the picture above:
